

# Audiology Process in iMediRep

There has two way to Doctors and Patients interact with the system.

1. Direct Online Patient's Inquiry.
2. Patient's Visit the Doctors on Channeling Center.

## 1. Direct Online Patient's Inquiry

- First Patient send the message to the doctor with the describing there problem.

### Sent Msg To Specialist

Specialist Area	<div>Audiologist - A branch of science dealing with hearing</div>
Doctor	<div>Dr. Saman Kamalanath</div>
Symptoms (What do you feel now)	<div>my ear hurts when i swallow.</div>
History (Past Information)	<div>—</div>
Allergy	<div>—</div>
Message To Doctor	<div>my ear hurts when i swallow. i need a solution for it</div>
Attachment (Max 100Mb)	<div><div><div>Remove file</div></div></div>

proceed to sent

- After Patient send the request to the doctor can seen it on 'New Appointment' list.
